

The image shows a vertical A5 notebook page with a decorative ribbon header at the top. Below the header, there are two columns of horizontal lines, each starting with a small square checkbox. The page is framed by a double-line border with rounded corners. The entire page is surrounded by registration and crop marks: a top-left and top-right L-shaped mark, a top and bottom center crosshair mark, and a bottom-left and bottom-right L-shaped mark.
